Lane Departure Warning & Lane Keep Assist

- Reverse Driver Assist
- Emergency Lane Keeping

## Safety

All-Round 360° Airbag Protection with Innovative Rear Window and One-Piece Curtain Airbags

Uncompromising Safety with Composite Body Solution(CBS) & High-Strength Roof Design

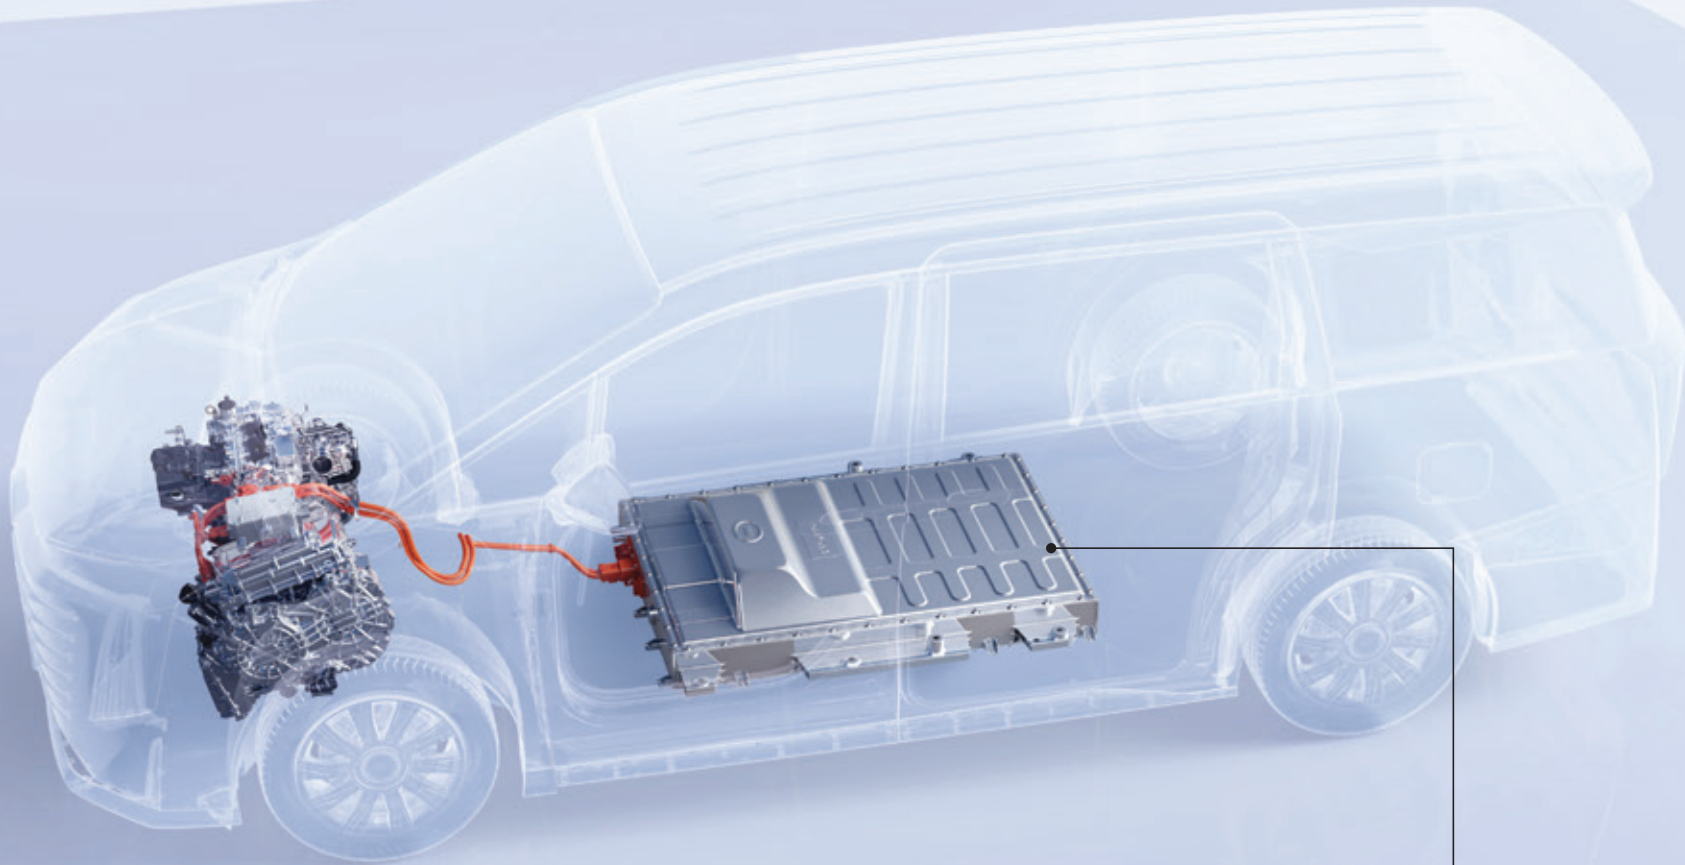

# Advanced Hybrid Powertrain

Integrated dual-motor two-speed DHT system combining a 2.0-liter turbocharged engine with an electric motor. This setup ensures smooth and efficient power delivery, enhancing both performance and fuel economy.

Complementary  
7 kW AC  
charger with  
installation

## High-Energy-Density Pouch Battery

The battery uses nano-doped, multi-layer coated cells for enhanced safety. It features a five-layer protection system with nanoscale insulation, ceramic protection, liquid cooling, a high-strength pack, and BMS 24/7 overheating control inspection and diagnostic technology.
